

Product overview

The frontier makes a great addition to any bathroom. It's curved edges give a modern feel to its contemporary design offering a simplistic and fun solution to bathroom lighting.

In built demister pads ensure that the glass stays clear giving the best possible view. The easy to use touch sensor makes turning the mirror on/off and regulating the colour temperature a piece of cake.

CCT technology allows for the optimal temperature to be achieved simply by holding down on the touch sensor.

Mechanical Specification

Product	Dimensions (mm)	Weight (kg)	IP Rating
Frontier 700x500 Black	H700, W500, D30 (Portrait only)	5.8	IP44
Frontier 700x500 Brass	H700, W500, D30 (Portrait only)	5.8	IP44
Frontier 600x800 Black	H600, W800, D30 (landscape only)	6.8	IP44
Frontier 600x800 Brass	H600, W800, D30 (landscape only)	6.8	IP44

Benefits

- Easy to use and install
- Front illumination
- LED technology for long life

Key Features

- Touch sensor
- Demister Pad
- Landscape orientation
- Intensity Dimming
- Heating Pad

Technical Specification

Voltage	240V
Wattage	700x500 - 40W 800x600 - 42W
Colour Temperature	2700 - 6000K
Dimmable	No
Operating Temperature	5°C to 45°C
Cable Length	1m
