

## Add grip where you need it

7

Our range of safety bars come with an option to add a clever and attractive grip and a variety of accessories providing you with all the extra support, comfort and grip you might now need in the bathroom.

- Our innovative anti-slip grip provides an extra level of grip, comfort and security in the bathroom
- Additional grips can be added to all safety bars - where and when you need it
- They provide a reassuring level of grip in wet environments
- A warmer, more comfortable touch than metal grab bars

# BOSTON COMFORT & SAFETY ACCESSORIES

## Creating the complete solution for a safe and stylish bathroom

As with many rooms in your home, it is often the accessories that put the final touches to your bathroom. The Boston Comfort and Safety range enables you to complete the look with independent design and living aid at it's heart. With all safety bars holding up to 150kg and having optional extra grip, the Boston Comfort and Safety range gives both style and that extra support where needed.

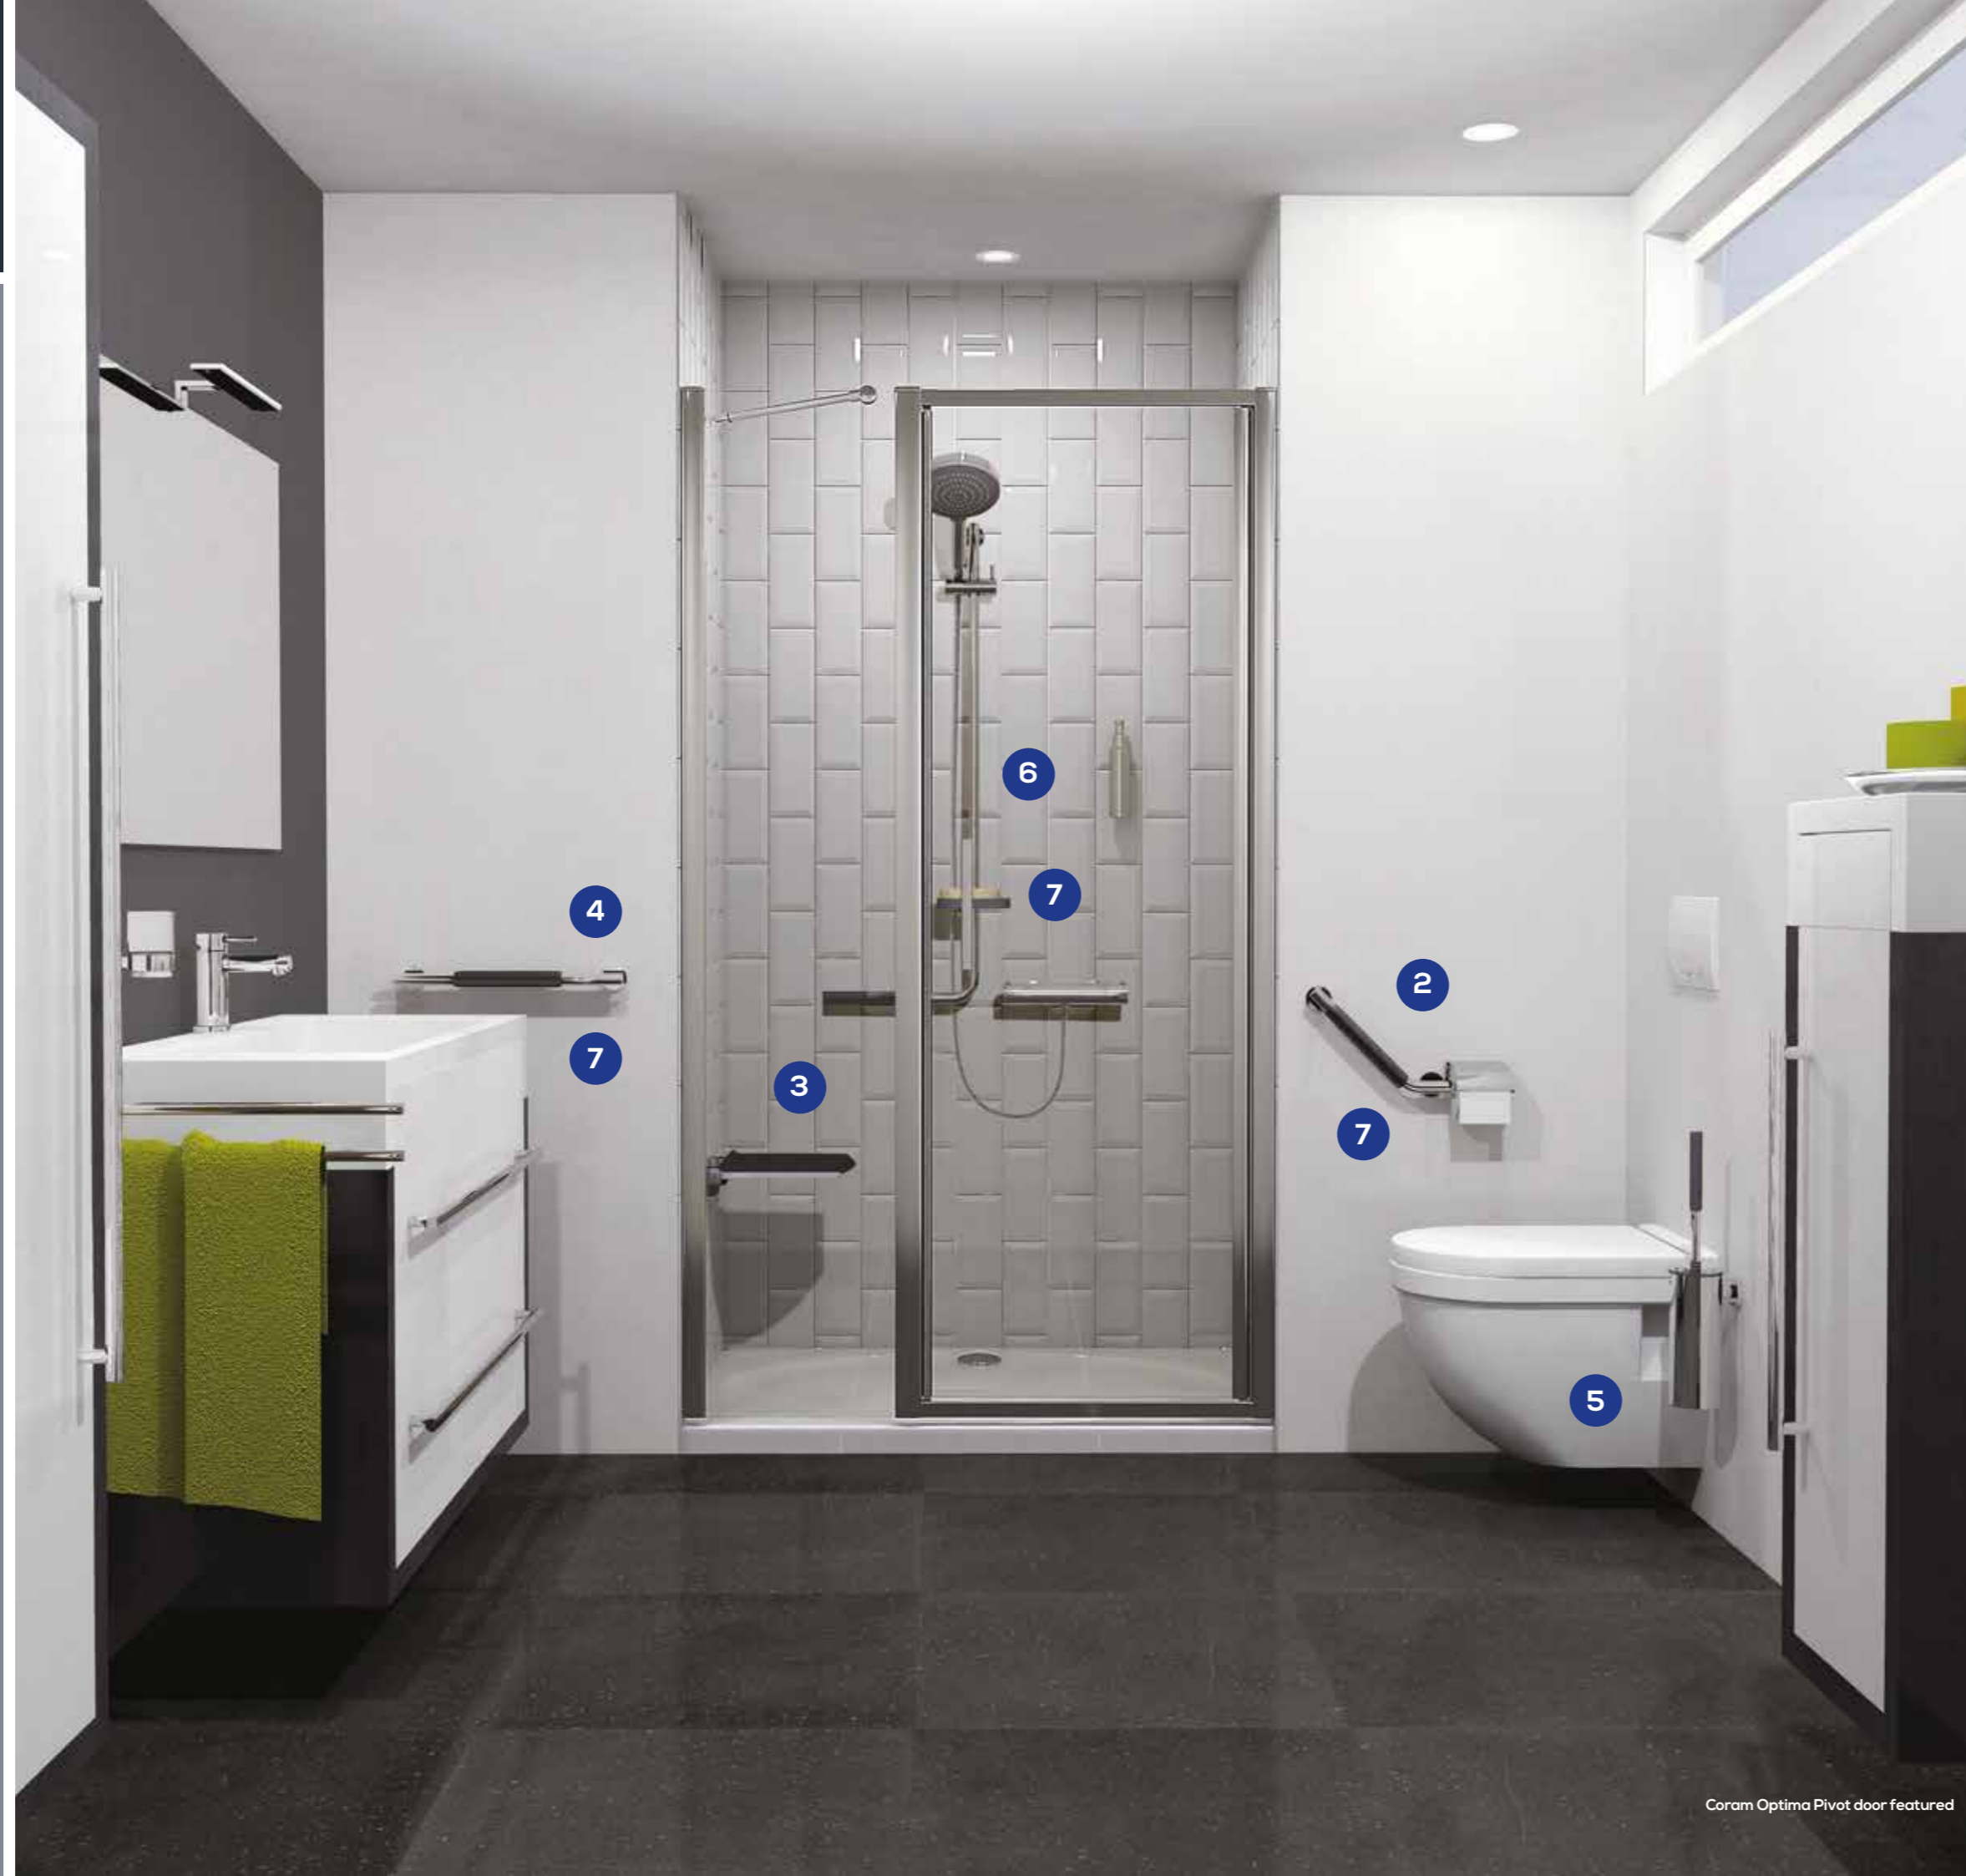

The Boston Accessories range incorporates a variety of polished or brushed stainless steel products which provide a comfortable and safe bathroom environment for customers who do not want to compromise on style.

- 1 Safety bar 135°**
  - Available in both left and right angled option
- 2 Safety bar / toilet roll holder**
  - Highly robust grips and safety bars with a bearing capacity of up to 150kg
  - 2 in 1 toilet roll holder, a stylish design that doubles as a sturdy wall grip to help you get up more easily
- 3 Folding seat**
  - Load bearing 120kg
  - Shower in comfort
  - Slim and stylish low profile both when in use and when stored
  - Neatly folds away
  - Textured non slip finish for extra security
- 4 Safety bar - straight**
  - Choice of 3 sizes
  - Wall mounted. Easy reach and easy grip
- 5 Toilet brush and holder**
  - Longer than standard toilet brush making cleaning that little bit easier
- 6 Safety shower bar**
  - Shower rail that works as a sturdy wall grip
  - Shower safety bar is available with left, right and angled options
- 7 Accessories**
  - Anti slip grip
  - Universal organiser - easily clips to any horizontal or vertical safety bar. Easily repositioned

### Additional benefits

- Towel rails that can be turned into sturdy safety bar grips
- Shower rails that also work as a solid wall grip if needed
- A choice of attractive brushed or polished stainless steel finishes
